70-hour Certification Course:

You will learn how to operate both open (Jimmy John III) and closed (Aquanet 2000) colonic devices. The Aquanet EC-2000 features the option to function in either gravity or pressurized mode. All courses are limited to 11 students to allow more one on one technical interaction.

\$1,595 full payment due three weeks prior to the course date.

\$1,470 (\$125) discount if paid 60 days in advance. All forms of payment accepted.

Once we have received your application and payment, we will send you the required reading material. A list of additional recommended books will also be provided. You will be expected to know all reading content before the courses begin. Testing for your certification will be on Sunday. It is possible to take the I-ACT (International Association for Colon Hydrotherapy) Foundation Level exam after the initial testing only if you are an active I-ACT member.

Days and times: All courses run **Thursdays to Sundays**, starting at **8:30 am sharp** each day. Lunch is provided 12:00–1:00 pm (please provide your food restrictions on the registration form). Practicum class begins at 1:00 pm and can run until 7:00 pm.

Basic Course Curriculum:
